MEMORANDUM FOR: Special Counsel to the DCI

Mitch:

Attached you will find qualification standards issued by the Civil Service Commission on a family of psychologists. The Commission does not have "job descriptions" for psychologists, but perhaps these will serve the purpose you have in mind. If not, let me know and I will see what we can do to acquire them from another agency. There is also attached a current Federal pay scale so you can equate the GS-grade with the money involved.
